INDEPENDENT AUDITOR'S REPORT

Board of Directors
Jewish Family Service of the Desert
Palm Springs, California

Opinion

We have audited the accompanying financial statements of Jewish Family Service of the Desert (a non-profit organization) which comprise of the related statement of financial position as of June 30, 2025 and statement of activities, functional expenses and cash flows for the year then ended and related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jewish Family Service of the Desert, as of June 30, 2025, and the changes in net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jewish Family Service of the Desert and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jewish Family Service of the Desert's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jewish Family Service of the Desert's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jewish Family Service of the Desert's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the financial statements of Jewish Family Service of the Desert for the year ended June 30, 2024 in our report dated November 18, 2024, we expressed an unmodified audit opinion. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2024, is consistent in all material respects, with the audited financial statement from which it has been derived.

JEWISH FAMILY SERVICES

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

1) NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The purpose of the Jewish Family Service of the Desert (JFS) is to provide for the social service needs of the Jewish and general community throughout the greater Coachella Valley with a commitment to promote the well being of persons of all ages, income and lifestyles. It accomplishes its purposes by making available counseling services in addition to financial aid in times of need. Its sources of income consist of an allocation from the Jewish Federation of the Desert, counseling fees from clients, grants, special events and donations and as such, it is subject to various market conditions, which would affect those revenues from time to time.

Income Taxes

JFS is a not-for-profit corporation that is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3), and from California franchise taxes under related state tax regulations and classified by the Internal Revenue Service as other than a private foundation. JFS may be subject to tax on income from any unrelated business operations. JFS does not currently have any unrelated business operations.

JFS's Form 990, *Return of Organization Exempt from Income Tax* are subject to examination by the IRS, generally for three years after they were filed.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions

Net assets that are not subject to donor-imposed stipulations. The Board of Directors have designated funds of \$630,399 and \$606,182 at June 30, 2025, and June 30, 2024, respectively, consisting of operating reserves and amounts held in the Legacy Fund.

Net assets with donor restrictions

Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, donor restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. (See Note 6)

Contributions

Contributions received are recorded as unrestricted or restricted, depending on the existence and/or nature of donor restrictions. Restricted net assets are reclassified to unrestricted net assets upon satisfaction of time or purpose restrictions.

Expense Allocations

Functional expenses which are not specifically attributable to program services or supporting services are allocated based on estimates made by management.

JEWISH FAMILY SERVICES

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

1) NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Investments

The Organization's investments are carried at fair value using quoted market prices with gains and losses included in the statement of activities. Investments are composed of mutual funds and fixed income. Investments are subject to gains or losses as a result of fluctuations in market prices.

Property and Equipment

Property and equipment are stated at cost, or fair market value at the date of donation. Depreciation is computed using the straight-line method over estimated useful lives ranging from five to seven years. The Organization has a minimum capitalization policy of \$1,000.

Cash and Cash Equivalents

JFS considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Revenue and Revenue Recognition

Revenues that are treated as exchange transactions are recognized consistent with the guidance in Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 606, Revenue from Contracts with Customers. ASC 606 stipulates that revenue should be recognized consistent with the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for goods or services. Contributions are recognized when cash, or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction. Sponsorships received in advance of events are recorded as deferred revenue until the event takes place.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Operating Leases

Effective for the years beginning after December 15, 2021, the Financial Accounting Standards Board's (FASB) Accounting Standards Updated ("ASU") 2016-02, Leases (Topic 842), requires a lessee to recognize a lease asset and related lease liability on the statement of financial position. The Organization adopted Topic 842 using the effective date method and recognized and measured leases effective during the year ending June 30, 2023. The Organization elected the package of practical expedients permitted under the transition guidance within the new standard which, among other things, allowed the Organization to carry forward the historical classification, not reassess whether any expired or existing contracts contain leases and not reassess initial direct costs on existing leases. All new lease agreements entered into after June 30, 2023, follow this updated standard.

JEWISH FAMILY SERVICES

9) INVESTMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The levels of the fair value hierarchy under FASB ASC 820-10 for assets held by the Organization are level 1 inputs to the valuation methodology; unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Investments consist of the following cost and fair value at June 30;

<u>2025</u>	<u>Cost</u>	<u>Fair Value</u>	<u>Unrealized Gain</u>
